

Daughter Of My People Henrietta Szold And Hadas

United States. Congress

Congressional Record United States. Congress, 1966 The Congressional Record is the official record of the proceedings and debates of the United States Congress. It is published daily when Congress is in session. The Congressional Record began publication in 1873. Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States (1789-1824), the Register of Debates in Congress (1824-1837), and the Congressional Globe (1833-1873)

Summoned to Jerusalem Joan Dash, 2003-08-04 'February 1943: a crowded railway station in Haifa, Palestine. Crowds of people wait for a train to pull in. Through a winter of anguish the Jews of Palestine have longed for this train. It arrives and from the open windows hundreds of little hands wave blue-and-white flags. The train is packed with Jewish children who have been traveling war-ravaged Europe since the fall of Poland in 1939. Palestine is their journey's end. In front of the crowd is an official delegation, headed by an old woman not quite five feet tall. She is Henrietta Szold, and these children, the final contingent of ten thousand children, were saved from the Nazis and brought to Palestine because of her.' One could not have predicted from the beginnings of her comfortable, dependent life as the oldest daughter of a Baltimore rabbi the extraordinary accomplishments of Henrietta Szold. Even as she reached middle age, she was the dutiful studious partner of her father's scholarly researches, although she had behind her impressive accomplishments, such as the establishment of a pioneering night school for Russian Jewish immigrants. But each time she ventured, she retreated. It took two grave emotional crises to bring her into her own -- the death of her father, and the more astonishing public emotional collapse that ensued after her intense love for a scholar thirteen years her junior ended when he took a young German bride. Out of the ashes of this second bereavement emerged the Henrietta Szold who was to imprint her formidable accomplishments on American Jewry and the land of Palestine. That barren land, the needs of its population, and the courage of its pioneers shaped the course of her future, while back home in New York the small study group she had established, and which was called Hadassah, grew into the women's arm of the American Zionist movement. Zionism was full of factionalism, and the history of Palestine was bloody and divisive. It was Henrietta Szold's initiative and drive that established its health care system, shaped education, and began the social services that prevail today. In the 1930s a new mission emerged: the rescue from the Nazis of thousands of Jewish children who would otherwise have been lost. This Youth Aliyah was her last triumph. She was eighty-three when her indomitable body wearied at last, and she lies buried on the Mount of Olives, in the land she

played so large a part in shaping.

The Whole Wide World, Without Limits Mary McCune, 2005 Often perceived as being removed from the rough-and-tumble world of male politics, women involved in relief during World War I and the 1920s found themselves grappling daily with questions of ideology, nationalism, and political statehood. Participation in large-scale relief work provided Jewish women with a firm sense of their own capabilities and contributed to their heightened sense of gender consciousness. Their experience provides powerful evidence that women activists in the post-suffrage period sustained a notable degree of separation from men even as they propounded gender equality, thereby facilitating American Jewish women's entrance into the public realm without their having to sacrifice commitment to either Jewish or women's issues. Gendered and separatist strategies enabled women to bring their concerns into the public sphere, affect the course of American Jewish history, and shape modern American Jewish identity. *The Whole Wide World, Without Limits* explores the international relief activities of three American Jewish organizations during this period: the National Council of Jewish Women, Hadassah (the Women's Zionist Organization of America), and the Workmen's Circle. Women in all three organizations vigorously raised money for Jews in the war zones and continued to help them after the armistice. Author Mary McCune demonstrates the significance of the work of each group while analyzing the interactions between class, ethnicity, religion, and gender consciousness, both inside the Jewish community and in the broader American context. McCune looks at a wide variety of Jewish women—Zionists and anti-Zionists, religious and secular, capitalists and socialists, wealthy and working-class—and sheds light on the myriad ways that personal identity shapes public activism. More importantly, this book reveals how women's charity work and their use of gendered strategies exerted influence over seemingly unrelated political events.

Hadassah and the Zionist Project Erica B. Simmons, 2006 Hadassah and the Zionist Project offers a fresh perspective on Hadassah, the Women's Zionist Organization of America and the largest women's organization in the United States, telling the fascinating story of how American Jewish women played a leading role in achieving Zionist goals and shaping the state of Israel. The book also traces Hadassah's involvement in the child rescue movement, which saved thousands of children from Nazi-occupied Europe, as well as from the beleaguered Jewish communities of the Middle East and North Africa. Bulletin of Bibliography, 1995

Who's who in Jewish History Joan Comay, 1995 The author's Who's Who in the Old Testament followed the history of Jewish people up to the end of the First Book of Maccabees in 135 B.C. Now she continues the fascinating story from that point to the present, a period of more than 20 centuries, with entries on the lives of nearly 1,000 men and women.

Historical Dictionary of Israel Bernard Reich,David H. Goldberg,2016-08-30 Since its creation, the State of Israel has been a magnet for attention. A country beset by conflict in its region and faced with the need to integrate mainly Jewish immigrants of disparate backgrounds into a modern and advanced democratic state and society, Israel has preoccupied observers, scholars and journalists since its independence in May 1948. Although a Jewish state Israel is also a democratic state that guarantees the rights of all of its citizens, including its large Arab and Moslem minority, in law and in practice. Israel and its modern history and politics have been the subject of substantial and often highly partisan literature, being hotly and vigorously debated both at home and abroad. This third edition of Historical Dictionary of Israel contains a chronology, an introduction, appendixes, and an extensive bibliography. The dictionary section has over 1100 cross-referenced entries on significant persons, places, events, government institutions, political parties, and battles, as well as entries on Israel's economy, society, and culture. This book is an excellent access point for students, researchers, and anyone wanting to know more about the various diplomatic and political personalities, institutions, organizations, events, concepts, and documents that together define the political life of the Jewish state of Israel.

Daughter Of My People Henrietta Szold And Hadas

Introduction

In today's digital age, the availability of Daughter Of My People Henrietta Szold And Hadas books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Daughter Of My People Henrietta Szold And Hadas books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Daughter Of My People Henrietta Szold And Hadas books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Daughter Of My People Henrietta Szold And Hadas versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Daughter Of My People Henrietta Szold And Hadas books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF

books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Daughter Of My People Henrietta Szold And Hadas books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Daughter Of My People Henrietta Szold And Hadas books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable

examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Daughter Of My People Henrietta Szold And Hadas books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Daughter Of My People Henrietta Szold And Hadas books and manuals for download and embark on your journey of knowledge?

FAQs About Daughter Of My People Henrietta Szold And Hadas Books

1. Where can I buy Daughter Of My People Henrietta Szold And Hadas books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon,

- Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available?
Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
 3. How do I choose a Daughter Of My People Henrietta Szold And Hadas book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
