

# Translating The Classics Of

**Cathy McAteer**

**Classics and Translation** D. S. Carne-Ross, 2010 D. S. Carne-Ross (1921-2010) was one of the finest critics of classical literature in English translation after Arnold. More than four decades of Carne-Ross's writings are represented in this volume, which includes criticism of both ancient and modern writers, in addition to historical-critical studies of translation, discriminating analyses of translators widely read today, and investigations in the relationship between translation, criticism, and literary creation. This book will appeal to a wide audience including classicists, specialists in reception and translation studies, students of comparative literature, and literary readers. --

**Classics in Translation, Volume I** Paul L. MacKendrick, Herbert M. Howe, 1952 Diplomat DeWitt Clinton Poole arrived for a new job at the United States consulate office in Moscow in September 1917, just two months before the Bolshevik Revolution. In the final year of World War I, as Russians were withdrawing and Americans were joining the war, Poole found himself in the midst of political turmoil in Russia. U.S. relations with the newly declared Soviet Union rapidly deteriorated as civil war erupted and as Allied forces intervened in northern Russia and Siberia. Thirty-five years later, in the climate of the Cold War, Poole recounted his experiences as a witness to that era in a series of interviews. Historians Lorraine M. Lees and William S. Rodner introduce and annotate Poole's recollections, which give a fresh, firsthand perspective on monumental events in world history and reveal the important impact DeWitt Clinton Poole (1885-1952) had on U.S.-Soviet relations. He was active in implementing U.S. policy, negotiating with the Bolshevik authorities, and supervising American intelligence operations that gathered information about conditions throughout Russia, especially monitoring anti-Bolshevik elements and areas of German influence. Departing Moscow in late 1918 via Petrograd, he was assigned to the port of Archangel, then occupied by Allied and American forces, and left Russia in June 1919.

The Classics in Translation Frank Seymour Smith, 1930

**The Classics in Modernist Translation** Lynn Kozak, Miranda Hickman, 2019-02-07 This volume sheds new light on a wealth of early 20th-century engagement with literature of Graeco-Roman antiquity that significantly shaped the work of anglophone literary modernism. The essays spotlight 'translation,' a concept the modernists themselves used to reckon with the Classics and to denote a range of different kinds of reception - from more literal to more liberal translation work, as well as forms of what contemporary reception studies would term 'adaptation,' 'refiguration' and 'intervention.' As the volume's

essays reveal, modernist 'translations' of Classical texts crucially informed the innovations of many modernists and often themselves constituted modernist literary projects. Thus the volume responds to gaps in both Classical reception and Modernist studies: essays treat a comparatively understudied area in Classical reception by reviving work in a subfield of Modernist studies relatively inactive in recent decades but enjoying renewed attention through the recent work of contributors to this volume. The volume's essays address work significantly informed by Classical materials, including Homer, Sophocles, Euripides, Sappho, Ovid, and Propertius, and approach a range of modernist writers: Pound and H.D., among the modernists best known for work engaging the Classics, as well as Cummings, Eliot, Joyce, Laura Riding, and Yeats.

**Translation and the Classic** Alexandra Lianeri, Vanda Zajko, 2008-08-21 This collection of 18 essays, including one by Nobel Prize winning author J.M. Coetzee, explores the fascinating and nuanced relationship between translation and the classic text.

*English Translation and Classical Reception* Stuart Gillespie, 2011-02-23 English Translation and Classical Reception is the first genuine cross-disciplinary study bringing English literary history to bear on questions about the reception of classical literary texts, and vice versa. The text draws on the author's exhaustive knowledge of the subject from the early Renaissance to the present. The first book-length study of English translation as a topic in classical reception Draws on the author's exhaustive knowledge of English literary translation from the early Renaissance to the present Argues for a remapping of English literary history which would take proper account of the currently neglected history of classical translation, from Chaucer to the present Offers a widely ranging chronological analysis of English translation from ancient literatures Previously little-known, unknown, and sometimes suppressed translated texts are recovered from manuscripts and explored in terms of their implications for English literary history and for the interpretation of classical literature

**Classics in Translation** Peter Jones, 1998-11-12 Introducing the work of 20 of the ancient world's greatest authors, this work presents brief, readable essays, fully illustrated with quotations from modern (and some ancient) translations. The writers covered include Homer, Sappho, Herodotus, the Greek tragedians, the comic poets, sexy and subtle love poets such as Catullus, and vicious but witty satirists like Martial and Juvenal.

**Classics in Translation, Volume II** Paul L. MacKendrick, Herbert M. Howe, 1952 Annotation Here, translated into modern idiom, are many works of the authors whose ideas have constituted the mainstream of classical thought. This volume of new translations was born of necessity, to answer the needs of a course in Greek and Roman culture offered by the Department of Integrated Liberal Studies at the University of Wisconsin. Since its original publication in 1952, Classics in Translation has been adopted by many different academic institutions to fill similar needs of their undergraduate students. This new printing is further evidence of this collection's general acceptance by teachers, students, and the reviewing critics.

Classics in Translation Paul Lachlan MacKendrick, Herbert Marshall Howe, 1966

**Translating Great Russian Literature** Cathy McAteer, 2021-01-03 Launched in 1950, Penguin's Russian Classics quickly progressed to include translations of many great works of Russian literature and the series came to be regarded by readers, both academic and general, as the de facto provider of classic Russian literature in English translation, the legacy of which reputation resonates right up to the present day. Through an analysis of the individuals involved, their agendas, and their socio-cultural context, this book, based on extensive original research, examines how Penguin's decisions and practices when translating and publishing the series played a significant role in deciding how Russian literature would be produced and marketed in English translation. As such the book represents a major contribution to Translation Studies, to the study of Russian literature, to book history and to the history of publishing.

The Death of Socrates Emily R. Wilson, 2007 Socrates's death in 399 BCE has figured largely in our world, shaping how we think about heroism and celebrity, religion and family life, state control and individual freedom--many of the key coordinates of Western culture. Wilson analyzes the enormous and enduring power the trial and death of Socrates has exerted over the Western imagination.

A Companion to Translations Studies and Ancient Epic Richard Armstrong, Alexandra Lianeri, 2021-09-08 Translation studies can be situated as either a complementary field or an aspect of classical receptions, but there are certain difficulties in how translation studies can be suitably adapted for importation into classical studies; difficulties which are not currently addressed in a systematic form for graduate students or researchers wishing to gain a comprehensive orientation to classics studies. The proposed Companion would address these difficulties by providing the first systematic work to translation studies as applied to classics. The proposed Companion attempts to address this lack by providing the first systematic work that would both orient the new-comer to translation studies as applied to classics and provide exemplary, state-of-the-art discussions and case studies on how translation is a central element in reception.

On Translating Homer Matthew Arnold, 2017-10-16 Excerpt from On Translating Homer: Three Lectures Given at Oxford Instead of moving on without check, as in reading the original, the reader twice finds himself, in read lug the translation, brought up and checked. Homer moves with the same simplicity and rapidity in the highly-wrought as in the simple passage. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

Tradition, Translation, Trauma Jan Parker, Timothy Mathews, 2011-06-30 A collection of essays by a team of distinguished international contributors concerned with how Classic - mainly Greek and Latin but also Arabic and Portuguese - texts become present in later cultures; how they are passed on, received and affect over time and space, and how they resonate in the modern.

**On Translating Homer** Matthew Arnold, 2017-10-30 Excerpt from *On Translating Homer: Last Words; A Lecture Given at Oxford* Notwithstanding this example, ' said Buffon, - who, as well as Montesquieu, had been attacked by the Jansenist Gazetteer, notwithstanding this example, I think I may promise my course will be different. I shall not answer a single word.' About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

*Translation, Rewriting, and the Manipulation of Literary Fame* Andre Lefevere, 2016-10-26 Lefevere explores how the process of rewriting works of literature manipulates them to ideological and artistic ends, so that the rewritten text can be given a new, sometimes subversive, historical or literary status.

**The Oxford Book of Classical Verse** Adrian Poole, Jeremy Maule, 2000 Great Britain has a long and grand tradition of poets translating classical authors. Virtually every great poet from Chaucer on has tried his or her hand at translation, with the results often rivalling or even excelling the ancient original. This unique anthology presents the best of these translations, ranging from King Alfred, Alexander Pope, and Ben Jonson, to Alfred Lord Tennyson, Ezra Pound, and Ted Hughes. The book offers a vast array of responses to the song, verse, and drama of ancient Greece and Rome, and to poets themselves as varied as Homer, Sappho, Euripides, Virgil, Ovid, and Juvenal. Organized by classical author and text, the book gathers and juxtaposes English versions, sometimes of the same passage or poem, to dramatize the endless renewal of one great poetic tradition in and through another.

**Virgil and His Translators** Susanna Braund, Zara Martirosova Torlone, 2018-09-27 This is the first volume to offer a critical overview of the long and complicated history of translations of Virgil from the early modern period to the present day, transcending traditional studies of single translations or particular national traditions in isolation to offer an insightful comparative perspective. The twenty-nine essays in the collection cover numerous European languages - from English, French, and German, to Greek, Irish, Italian, Norwegian, Slovenian, and Spanish - but also look well beyond Europe to include discussion of Brazilian, Chinese, Esperanto, Russian, and Turkish translations of Virgil. While the opening two

contributions lay down a broad theoretical and comparative framework, the majority conduct comparisons within a particular language and combine detailed case studies with in-depth contextualization and theoretical background, showing how the translations discussed are embedded in their own cultures and historical moments. The final two essays are written from the perspective of contemporary translators, closing out the volume with a profound assessment not only of the influence exerted by the major Roman poet on later literature, but also why translation of a canonical author such as Virgil matters, not only as a national and transnational cultural phenomenon, but as a personal engagement with a literature of enduring power and relevance.

**Translations from the Classics Into English from Caxton to Chapman, 1477-1620** Henry Burrowes Lathrop, 1967

**The Classics in Paraphrase** Daniel M. Hooley, 1988 Bringing together translation theory and literary history, this volume conveys how Pound in his influential and controversial *Homage to Sextus Propertius* enriched the art of translation. The work of Louis Zukofsky, Basil Bunting, J. V. Cunningham, and Peter Porter is also discussed.

Thank you utterly much for downloading **Translating The Classics Of** .Most likely you have knowledge that, people have look numerous times for their favorite books in imitation of this *Translating The Classics Of* , but end up in harmful downloads.

Rather than enjoying a good PDF bearing in mind a mug of coffee in the afternoon, then again they juggled taking into consideration some harmful virus inside their computer. **Translating The Classics Of** is easy to use in our digital library an online entry to it is set as public thus you can download it instantly. **Translating The Classics Of Introduction**

In today's digital age, the availability of Translating The Classics Of books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Translating The Classics Of books and manuals for download, along with some popular platforms that offer these resources. One of the significant

advantages of Translating The Classics Of books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Translating The Classics Of versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Translating The Classics Of books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting

regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Translating The Classics Of books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Translating The Classics Of books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain

works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Translating The Classics Of books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries

offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Translating The Classics Of books and manuals for download and embark on your journey of knowledge?

### **FAQs About Translating The Classics Of Books**

**What is a Translating The Classics Of PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Translating The Classics Of PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF

creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Translating The Classics Of PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Translating The Classics Of PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Translating The Classics Of PDF?** Most PDF editing software allows you to add password

protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, I LovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions.

Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
