Continuing Korean Ross King, Jaehoon Yeon, Ph.D., Insun Lee, 2015-06-16 This is a complete and effective intermediate-level Korean textbook and Korean language learning package. It is the next book in the Elementary Korean series and takes student's abilities to read, comprehend Korean, speak Korean, read Korean, and write Korean to the next level. Continuing Korean is designed for learners who have achieved basic proficiency and wish to progress to the more complex structures of the Korean language. It offers a full range of field-tested exercises that will help readers build their confidence and fluency in the Korean language. Each lesson includes Korean dialogues, vocabulary, lesson notes and detailed breakdowns of the grammatical structure under discussion, and exercises. The downloadable audio is another great way to learn Korean and ensures correct pronunciation and helps to build listening comprehension.

Elementary Korean Ross King, Jaehoon Yeon, 2014-06-03 This is a comprehensive and detailed introductory Korean textbook and language learning package. Korean is now the 15th most popular language taught at American universities. This new edition of Elementary Korean, the most comprehensive and detailed introductory Korean textbook available, offers beginning learners of Korean everything they need to learn the language effectively. Perfect for a first-year university-level course use or the independent language learner. No prior knowledge of the language is necessary. The new format, now with dozens of illustrations, presents Korean vocabulary and Korean grammar in an accessible and understandable manner while extensive conversations and exercises help to reinforce the Korean language and build reading and listening comprehension. This edition includes: An MP3 audio CD and a dedicated website. Rich and highly nuanced examples with brand new illustrations. Detailed but on-technical grammar notes, ample writing exercises with an accompanying answer key. Detailed examples of authentic dialogue. Highly technical grammar notes. Plenty of writing practice. Dialogues, reading texts, and written exercises are in Hangul, the Korean alphabet, so students are quickly able to read and write authentic Korean. Layered lessons are designed to build on each other, making Korean easy to learn from the most popular introductory Korean language textbook available. Included is a revised audio CD that helps learners to speak like a native and a web-based practice component through the University of British Columbia that can help students to learn Korean even beyond the pages of this book. According to the Modern Language Association, enrollment in Korean in American universities is increasing rapidly. Available separately is the companion Elementary Korean Workbook. This helpful workbook will assist you in

practicing and polishing your Korean language skills. Each lesson supplements the corresponding lesson in the textbook. There are ten activities per lesson, offering a range of exercises and practice opportunities to enable you to achieve proficiency in everyday, conversational Korean.

Cochrane Handbook for Systematic Reviews of Interventions Julian P. T. Higgins, Sally Green, 2008-11-24 Healthcare providers, consumers, researchers and policy makers are inundated with unmanageable amounts of information, including evidence from healthcare research. It has become impossible for all to have the time and resources to find, appraise and interpret this evidence and incorporate it into healthcare decisions. Cochrane Reviews respond to this challenge by identifying, appraising and synthesizing research-based evidence and presenting it in a standardized format, published in The Cochrane Library (www.thecochranelibrary.com). The Cochrane Handbook for Systematic Reviews of Interventions contains methodological guidance for the preparation and maintenance of Cochrane intervention reviews. Written in a clear and accessible format, it is the essential manual for all those preparing, maintaining and reading Cochrane reviews. Many of the principles and methods described here are appropriate for systematic reviews applied to other types of research and to systematic reviews of interventions undertaken by others. It is hoped therefore that this book will be invaluable to all those who want to understand the role of systematic reviews, critically appraise published reviews or perform reviews themselves.

Integrated Korean Young-mee Yu Cho, Hyo Sang Lee, Carol Schulz, Ho-min Sohn, Sung-Ock Sohn, 2020-06-30 This is a thoroughly revised edition of Integrated Korean: Intermediate 1, the third volume of the best-selling series developed collaboratively by leading classroom teachers and linguists of Korean. All the series' volumes have been developed in accordance with performance-based principles and methodology—contextualization, learner-centeredness, use of authentic materials, usage-orientedness, balance between skill getting and skill using, and integration of speaking, listening, reading, writing, and culture. Grammar points are systematically introduced in simple but adequate explanations and abundant examples and exercises. Each situation/topic-based lesson of the main texts consists of model dialogues, narration, new words and expressions, vocabulary notes, culture, grammar, usage, and English translation of dialogues. In response to comments from hundreds of students and instructors of the second edition, this new third edition features an attractive color design with new photos and drawings and lesson and vocabulary exercises that have been fully reorganized. Each lesson contains a conversational text (with its own vocabulary list) and a reading passage. The accompanying workbook provides students with extensive skill-using activities based on the skills learned in the main text. Integrated Korean is a project of the Korean Language Education and Research Center (KLEAR) with the support of the Korean Foundation. In addition to the five-level Integrated Korean textbooks and workbooks, volumes include Korean Composition, Korean Language in Culture

and Society, Korean Reader for Chinese Characters, Readings in Modern Korean Literature, A Resource for Korean Grammar Instruction, and Selected Readings in Korean. Audio files for this volume may be downloaded in MP3 format at <https://kleartextbook.com>
