Crying Laughing Lance Rubin,2021-08-03 A tragicomic story of bad dates, bad news, bad performances, and one girl's determination to find the funny in high school from the author of Denton Little's Deathdate. Winnie Friedman has been waiting for the world to catch on to what she already knows: she's hilarious. It might be a long wait, though. After bombing a stand-up set at her own bat mitzvah, Winnie has kept her jokes to herself. Well, to herself and her dad, a former comedian and her inspiration. Then, on the second day of tenth grade, the funniest guy in school actually laughs at a comment she makes in the lunch line and asks her to join the improv troupe. Maybe he's even . . . flirting? Just when Winnie's ready to say yes to comedy again, her father reveals that he's been diagnosed with ALS. That is . . . not funny. Her dad's still making jokes, though, which feels like a good thing. And Winnie's prepared to be his straight man if that's what he wants. But is it what he needs? Caught up in a spiral of epically bad dates, bad news, and bad performances, Winnie's struggling to see the humor in it all. But finding a way to laugh is exactly what will see her through. **A Junior Library Guild Selection**

This Time Next Year We'll Be Laughing Jacqueline Winspear,2021-09-28 A 2021 Edgar Award Nominee for Best Critical/Biographical “Jacqueline Winspear has created a memoir of her English childhood that is every bit as engaging as her Maisie Dobbs novels, just as rich in character and detail, history and humanity. Her writing is lovely, elegant and welcoming.”—Anne Lamott The New York Times bestselling author of the Maisie Dobbs series offers a deeply personal memoir of her family’s resilience in the face of war and privation. After sixteen novels, Jacqueline Winspear has taken the

bold step of turning to memoir, revealing the hardships and joys of her family history. Both shockingly frank and deftly restrained, her story tackles the difficult, poignant, and fascinating family accounts of her paternal grandfather's shellshock; her mother's evacuation from London during the Blitz; her soft-spoken animal-loving father's torturous assignment to an explosives team during WWII; her parents' years living with Romany Gypsies; and Winspear's own childhood picking hops and fruit on farms in rural Kent, capturing her ties to the land and her dream of being a writer at its very inception. An eye-opening and heartfelt portrayal of a post-War England we rarely see, *This Time Next Year We'll Be Laughing* chronicles a childhood in the English countryside, of working class indomitability and family secrets, of artistic inspiration and the price of memory.

The Boy Who Made Everyone Laugh Helen Rutter, 2021-08-03 When life is funny, make some jokes about it. Billy Plimpton has a big dream: to become a famous comedian when he grows up. He already knows a lot of jokes, but thinks he has one big problem standing in his way: his stutter. At first, Billy thinks the best way to deal with this is to . . . never say a word. That way, the kids in his new school won't hear him stammer. But soon he finds out this is NOT the best way to deal with things. (For one thing, it's very hard to tell a joke without getting a word out.) As Billy makes his way toward the spotlight, a lot of funny things (and some less funny things) happen to him. In the end, the whole school will know -- If you think you can hold Billy Plimpton back, be warned: The joke will soon be on you!

The Laughing Librarian Jeanette C. Smith,2012-05-02 Despite the stodgy stereotypes, libraries and librarians themselves can be quite funny. The spectrum of library humor from sources inside and outside the profession ranges from the subtle wit of the New Yorker to the satire of Mad. This examination of American library humor over the past 200 years covers a wide range of topics and spans the continuum between light and dark, from parodies to portrayals of libraries and their staffs as objects of fear. It illuminates different types of librarians--the collector, the organization person, the keeper, the change agent--and explores stereotypes like the shushing little old lady with a bun, the male scholar-librarian, the library superhero, and the anti-stereotype of the sexy librarian. Profiles of the most prominent library humorists round out this lively study.

Laughing with God Gerald A. Arbuckle,2015-03-15 When Sarah overhears God tell Abraham that she will give birth to a son, she laughs. She laughs to herself at the impossibility of her, in her old age, bearing a child (Gen 18:12). But God's ways are not Sarah's ways; God is far more wonderful than Sarah imagines. Of course, Sarah does give birth to a son and names him Isaac, whose name means to laugh: God has brought laughter for me; everyone who hears will laugh with me (Gen 21:6). Surely, the ancient audience—aware of the many incongruities in this story—did laugh. But can we in modern times recover the divine humor, the paradox and promise, in this and other biblical accounts? Can we use that sacred laughter as a means to evangelize a world that longs for God every bit as much as the ancients did? In *Laughing with God: Humor, Culture, and Transformation*, Catholic priest and cultural anthropologist Gerald Arbuckle helps us do just that. With Arbuckle, readers will enter many rich biblical stories and come away laughing, not laughter as in response to a joke or comedy, but a profound laughter of the heart. Readers will laugh at Sarah as she laughs at God, and they will laugh together with Sarah and God. Readers will discover divine humor in the parables of Jesus and even in his suffering and death, the ultimate paradox for Christians. In addition to uncovering and recovering humor in Scripture, Arbuckle's work is a treasure trove of modern examples of humor—from literature, movies, and television—that surprisingly can be a means of transforming cultures to better reflect the kingdom of God. In the end, readers will want to turn the phrase, He who laughs last, laughs best, into, They who laugh with God, evangelize best. Gerald A. Arbuckle, SM, PhD, is co-director of Refounding and Pastoral Development, a research ministry, in Sydney, Australia. He is internationally known for his expertise in helping church leaders minister effectively in a postmodern world. Arbuckle's most recent books include: *Confronting the Demon: A Gospel Response to Adult Bullying*; *Violence, Society, and the Church: A Cultural Approach*; and *Healthcare Ministry: Refounding the Mission in Tumultuous Times* (2001 Catholic Press Association Award), all published by Liturgical Press.

Laugh Lisa Sturge, 2017-05-04 Laughter is a physiological response that activates a plethora of beneficial reactions in the body. The elation you feel when you laugh and your body relaxes and releases endorphins is a great way of offsetting the physical effects of stress. The aim of the laughter healing techniques in this book is to help you to laugh more easily through a series of warm-up exercises that are then followed by a range of activities designed to get you giggling. Laughter does not come easily to everyone, but luckily the body cannot distinguish between real and simulated laughter – pretend laughter has the same beneficial effect as real laughter. The practice of laughter is suitable for everyone, including elderly groups. There are many different types of laughs – light chuckles, hearty chortles, full-on belly laughs – and when starting with a fake laugh it often quickly becomes a genuine laugh. When we laugh, we are present in the moment. Paying attention to the here and now is much needed in today's frenetic society. It helps us to notice the small details as well as the bigger picture. By learning to pause in our daily swirl of activities and become fully present to whatever is happening at that moment, then we will be able to pause and laugh easily too.
