How to Find a Scholarship Online Shannon R. Turlington,2000-11-14 Tuition costs across the country are rising at an alarming rate—and financial aid is harder to get than ever. Parents and students alike are worrying about how to pay for education without skimping on quality. Now, thanks to the Internet, more and more students are applying for scholarships online with just the click of their mouse. However, finding just the right sites can take hours of Web research. And too much time spent on research can result in lost opportunities, missed deadlines, and changes in eligibility requirements. How to Find a Scholarship Online makes the search easier by providing a directory of Web sites with scholarships available for a wide variety of fields of study, ethnic and religious backgrounds, military activities, athletic abilities, and more. Each entry details all the important facts students need, including: Eligibility requirements Tips for avoiding scams, finding the best options, and applying online Expert advice on submitting a winning application that stands out from the crowd

Enhancing Learning Through the Scholarship of Teaching and Learning Kathleen McKinney,2010-01-22 The Challenges and Joys of Juggling There has been growing demand for workshops and materials to help those in higher education conduct and use the scholarship of teaching and learning. This book offers advice on how to do, share, and apply SoTL work to improve student learning and development. Written for college-level faculty members as well as faculty developers,

administrators, academic staff, and graduate students, this book will also help undergraduate students collaborating with faculty on SoTL projects. Though targeted at those new to the field of SoTL, more seasoned SoTL researchers and those attempting to support SoTL efforts will find the book valuable. It can be used as an individual reading, a shared reading in SoTL writing circles, a resource in workshops on SoTL, and a text in seminars on teaching. Contents include: Defining SoTL The functions, value, rewards, and standards for SoTL work Working with colleagues, involving students, writing grants, integrating SoTL into your professional life, and finding useful resources Practical and ethical issues associated with SoTL work Making your SoTL public and documenting your work The status of SoTL in disciplinary and institutional contexts Applying the goals of SoTL to enhance student learning and development.
